RE: Docket No. 110200-WU; In re: Application for increase in water rates in Franklin County by Water Management Services, Inc./ Request for Escrow Withdrawal  
Our File No. 46023.01

Dear Ms. Cole:

Pursuant to PSC Order No. PSC-12-0641-PCO-WU, Water Management Services, Inc. ("WMSI) requests the Staff provide the Escrow Agent with written authorization to disburse \$6,000.00 from the PAA Escrow Account to pay the filing fee to the Florida Department of Environmental Protection for the Application to make the pro-forma improvements. I have attached an email from Mr. Pope at DEP verifying the amount of the filing fee. There are sufficient funds in the PAA Escrow Account to make this payment.

Should you or Staff have any questions concerning this filing, please do not hesitate to give me a call.

Very truly yours,

MARTIN S. FRIEDMAN

Hi Les,  
 Sent as a hard copy. Talked to John Pope and he asked me to send it for review so he could determine the filing fee. We will send the \$6,000 ASAP.  
 Sandy

The proposed water treatment plant is rated as Category V, 1 UP TO 5 MGD. The permit application processing fee is \$6,000 in accordance with Rule 62-4.050(4)(n)3b., Florida Administrative Code. I'll pass this fee information along to Sandra at Water Management Services, Inc. Once the fee is received, we can begin processing the application. Thanks, John
