The Transaction

FCL and Globalcom entered into an Agreement and Plan of Merger ("Agreement"). As part of its effort to streamline its corporate structure, FCL intends to merge Globalcom into FCL, with FCL as the surviving entity. Globalcom previously adopted the fictitious name of First Communications and notified the Commission in correspondence dated October 15, 2008. Since the adoption of the fictitious name, Globalcom has provided service to customers under the First Communications name and logo. The merger will not result in a change to any aspect of a customer's services, including the rates, terms and conditions, the format of their bills, or

their customer service contacts including the toll free numbers. Prior to the merger FCL and Globalcom shared the same officers and used the same sales and customer service teams. Immediately following the consummation of the proposed transaction, Globalcom will surrender its operating authority and cease to exist.

Public Interest Considerations

The Parties submit that the transaction described herein will serve the public interest. The merger will simplify the corporate structure, reduce the reporting and operational burdens of FCL and result in an entity better equipped to compete as a telecommunications provider. The proposed transaction will have no adverse impact on customers, and will not result in any changes to the provision of service. Globalcom previously adopted the fictitious name First Communications and has been doing business as First Communications since 2008. Therefore, customers are familiar with the First Communications name and logo which currently appear on customer bills. The Parties emphasize that the proposed transfer of control will be seamless and virtually transparent to customers of Globalcom, and in no event will it result in the discontinuance, reduction, loss, or impairment of service to customers.

Conclusion

The Parties certify that the merger and change in control are *pro forma* and will not result in a change in the actual controlling party of either party, except that Globalcom will cease to exist upon completion of the merger with FCL.
