STAFF'S FIRST DATA REQUEST

RE: Docket No. 130079-GU -- Petition for approval of special contract with the Florida Department of Corrections, by Sebring Gas System, Inc.

Dear Mr. Horton,

By this letter, the Commission staff requests that Sebring Gas System, Inc. provide responses to the following data requests.

1. As required by Rule 25-9.034(1), Florida Administrative Code, Contracts and Agreements, please provide a complete and detailed justification for deviating from Sebring Gas System, Inc.'s (Sebring) standard approved rate schedules and offering the Florida Department of Corrections (DOC) a Special Contract.
2. Does DOC have the ability to bypass Sebring and directly interconnect with Gulfstream? Please explain your response.
3. Absent the proposed Special Contract, what Sebring tariff would apply? What would be the monthly payment by the DOC under Sebring's applicable tariff?
4. Does Sebring intend to recover the difference between its standard tariffed rate and the Special Contract rate from its general body of rate payers between rate cases? If yes, please explain how.
5. How are Sebring and its general body of ratepayers protected from default by the DOC during the term of the contract in the event of non-appropriations or insufficient appropriations by the Legislature (as discussed in Section 7.5 of the Special Contract)? How would Sebring recover its investment to serve DOC under this scenario?
