OK., Thank you.

Per this e-mail the Clerk's Office will continue to retain, at the Commission, confidential DN 00815-11 in Docket 130009-EI; which will retract staff's directive, in DN 02280-13, to return to source the confidential document.

I have received a staff directive to "return" to the source (in DN 02280-13) confidential DN 00815-11.

DN 00815-11 - (CONFIDENTIAL) Final Order PSC-11-0095-FOF-EI deferring FPL specific issues to the 2011 NCRC hearing, and allowing recovery subject to refund, declining to implement a risk sharing mechanism, and approving nuclear cost recovery amounts for Progress. [CLK note: See DN 00800-11 for redacted version.]

Should this document be destroyed ? or remain at the Commission ?

Thank you.
