IN RE: Energy Conservation Cost Recovery

Docket No: 130002-EG
Date: May 8, 2013

**FLORIDA POWER AND LIGHT COMPANY'S FIRST REQUEST
FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION
OF INFORMATION PROVIDED PURSUANT TO AUDIT NO. 11-005-4-4**

Pursuant to Section 366.093, Florida Statutes (2012) ("Section 366.093"), and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") hereby submits its First Request for Extension of Confidential Classification of Information Provided Pursuant to Audit No. 11-005-4-4 ("Confidential Information"). In support of this request, FPL states as follows:

1. On July 1, 2011 ("July 1, 2011 Request") FPL filed a Request for Confidential Classification of the Confidential Information. The July 1, 2011 Request included Exhibits A, B, C, and D. By Order No. PSC-11-0539-CFO-EG, dated November 18, 2011 ("Order 0539"), the Commission granted FPL's July 1, 2011 Request. FPL adopts and incorporates by reference the July 1, 2011 Request and Order 0539.

2. The period of confidential treatment granted by Order 0539 will soon expire. Some of the Confidential Information that was the subject of FPL's July 1, 2011 Request and Order 0539 warrants continued treatment as proprietary and confidential business information within the meaning of Section 366.093(3). Accordingly, FPL hereby submits its First Request for Extension of Confidential Classification.

3. Included herewith and made a part hereof are First Revised Exhibit A and First Revised Exhibit B together with First Revised Exhibit C to reduce the number of pages for which confidential treatment is sought.

4. First Revised Exhibit D consists of the affidavits of Antonio Maceo and Anita Sharma in support of this request. FPL has determined that only some of the information, which was confidential at the time of the July 1, 2011 request, warrants continued confidential treatment.

5. First Revised Exhibit A and First Revised Exhibit B consist of highlighted and redacted copies of the specific working papers where FPL has determined that a portion of the information previously designated as confidential requires continued confidential treatment.

6. The Confidential Information continues to be treated by FPL as proprietary and confidential business information, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

weighing the harm of disclosure against the public interest in access to the information.

7. As the affidavits included in First Revised Exhibit D indicate, the Confidential Information consists of internal auditing controls, reports or notes of internal auditors, or information relating to internal audit reports issued in 2011. Such information is protected by Section 366.093(3)(b).

8. Also, certain Confidential Information consists of confidential terms pertaining to pension and welfare rates. This information is protected by Section 366.093(3)(e).

9. Nothing has changed since the Commission entered Order 0539 to render the Confidential Information stale or public, such that continued confidential treatment would not be appropriate.

10. Upon a finding by the Commission that the Confidential Information remains proprietary and confidential business information, the information should not be declassified for at least an additional eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat. (2012).

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavits included herewith, Florida Power & Light Company respectfully requests that its First Request for Extension of Confidential Classification be granted.

Respectfully submitted,
