**Re: Notice of Change of Ownership and Control Pursuant to Rule 25-9.044, F.A.C.**

Dear Ms. Cole:

On April 30, 2013, I submitted a letter together with a Change of Information Form as notification that on April 29, 2013, Progress Energy Florida, Inc. officially changed its name to Duke Energy Florida, Inc. d/b/a Duke Energy following the merger of Progress Energy, Inc. and Duke Energy, Inc. Although the U.S. Department of Transportation Pipeline and Hazardous Materials Safety Administration has been notified of the name change, my April 30, 2013 letter failed to mention the gas operations listed under company code GS-065. Thus, Duke Energy respectfully requests that the name change be applied to the former Progress Energy Florida gas operations listed under company code GS-065.

I have attached the prior letter and completed Change of Company Information Form submitted on April 30, 2013 for reference.

Please contact me if you have any additional questions. I can be reached at 727-820-4692.

Sincerely,

Dianne M. Triplett  
Associate General Counsel

**Re: Notice of Change of Ownership and Control Pursuant to Rule 25-9.044, F.A.C.**

Dear Ms. Cole:

Pursuant to Rule 25-9.044(1), Florida Administrative Code, please accept this letter as notification that on April 29, 2013, Progress Energy Florida, Inc. officially changed its name to Duke Energy Florida, Inc. d/b/a Duke Energy following the merger of Progress Energy, Inc. and Duke Energy, Inc.

While Duke Energy will own and operate the newly acquired electrical facilities under the "Duke Energy" name, customers served by the former Progress Energy facilities will continue to receive service under the tariffed rates, rules, and classifications currently on file with the Commission for Progress Energy Florida, Inc. Simultaneously with this letter, as required by Rule 25-9.044, F.A.C., Duke Energy is submitting tariff changes by separate letter.

I have completed and attached the Change of Company Information Form obtained from the Commission website.

Please contact me if you have any additional questions. I can be reached at 727-820-4692.
