Don (or Jim), please also confirm that the suffix of Docket 130141-EI should be changed from EI to PU since it includes two public utilities (electric and gas), and not just an electric utility. Thank you for your help last week, Jim!

Thank you for the confirmation, Elisabeth. We will make that change. I also note that only Company Code EI801 was added to the docket. Should we also add Company Code GS065 to the utilities in this docket?

Hi Elisabeth,

I received an out-of-office message from Don. Would you be able to help with the question below?

Subject: Docket 130141-EI

Good morning, Don,

I was looking for information regarding the name change from Progress Energy to Duke Energy. I noticed that a request to establish docket was filed on 5/9/13 (DN 02589-13) to address same. For the sake of consistency, may I recommend that the docket title be revised to read, "Request for acknowledgment of name change from Progress Energy Florida, Inc. to Duke Energy Florida, Inc. d/b/a Duke Energy"? If you agree, we will make that change per this e-mail.

Good afternoon, Jim,

This e-mail serves as confirmation that CLK has received Progress/Duke Energy's letter (DN 02735-13) advising that the name change notification applies to Company Code GSO65. Per your telephone call on Wednesday, 5/15/13, I am confirming that the utilities for Docket 130141-EI have been updated to include Company Code GSO65. We will place this e-mail in Administrative Correspondence for historical purposes. Let me know if you have any questions.

Thank you to everyone for your assistance in this matter!
