**AFFIDAVIT OF ANA BABCOCK**

MIAMI-DADE COUNTY

**BEFORE ME**, the undersigned authority, personally appeared Ana Babcock who, being first duly sworn, deposes and says:

1. My name is Ana Babcock. I am currently Director of Customer Billing of Florida Power & Light Co. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C, and the information that is included in Exhibit A to FPL's Request for Confidential Classification for which I am identified on Exhibit C as the affiant. The information that FPL asserts is proprietary and confidential business information includes confidential analyses, business processes and plans of FPL regarding the management and operation of its Payment Processing Center, along with employee personnel information unrelated to compensation, duties, qualifications, or responsibilities. If publicly disclosed, this information would harm the competitive interests of the provider of the information and unnecessarily disclose confidential employee personnel information. The responses and documents that contain the proprietary and confidential business information are intended to be and are treated by FPL as private. To the best of my knowledge, FPL has maintained the confidentiality of these documents.

3. The information should remain confidential for a period of at least eighteen (18) months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of the document.

4. Affiant says nothing further.
