CUSTOMER NOTICE

June 6, 2013

As a result of Charlotte County transferring jurisdiction of water and wastewater utilities to the Florida Public Service Commission (the "Commission"), on February 26, 2013, Little Gasparilla Water Utility, Inc. (the "Utility"), filed its application with the Commission for a Certificate to operate a water system in Charlotte County, Florida.

In connection with granting the Utility a Certificate, the Commission by Proposed Agency Action Order No. PSC-13-0177-PAA-WU ("PAA Order"), issued April 29, 2013, ordered changes in certain miscellaneous service charges in order to comport with Commission policies. Specifically, the Commission has authorized the Utility to impose a \$50.00 meter tampering charge and a \$5.00 late payment charge. The PAA Order was not protested within the protest period, and became final by Order No. PSC-13-0220-CO-WU, issued May 22, 2013.

The charges are effective for service on or after June 11, 2013.

This notice was prepared by the Utility and approved by the Commission Staff for distribution by the Utility to its customers.

If you have any questions about your bill, please contact the Utility at (941) 626-8294.

Sincerely,

Little Gasparilla Water Utility, Inc.
