CLAIM OF CONFIDENTIALITY

Pursuant to Section 364.183(1), Florida Statutes, and Rule 25-22.006(5)(a), Florida Administrative Code, NEFCOM hereby claims confidential treatment for the following documents regarding this response to the annual reporting requirements for high-cost recipients and certification of support for eligible telecommunications carriers:

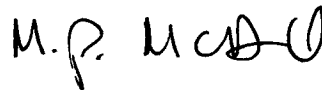

1. Response No. 5 – the data supporting the projected amount for CAF support: disclosure of NEFCOM's response to this item would provide NEFCOM's competitors with proprietary confidential information regarding NEFCOM's involvement in the highly competitive market which services within NEFCOM's service territory. This type of proprietary confidential business information is not made public under any other circumstances.

Enclosed herewith are the following attachments:

- (1) Attachment "A" - two copies of Northeast Florida's Response with the specific information claimed to be confidential redacted; and
- (2) Attachment "B" - a sealed envelope marked "CONFIDENTIAL" containing:
 - (a) Northeast Florida's complete unedited Response in electronic format; and
 - (b) Northeast Florida's Response with the specific information claimed to be confidential highlighted in yellow

Please acknowledge receipt of these documents by stamping the extra copy of this letter "filed" and returning the copy to me. Thank you for your assistance with this filing.
