Re: Docket No. 100154-EG - Revisions to Program Standards for Gulf Power Company's Demand-Side Management Plan

Dear Mr. McGee:

The Commission issued Order No. PSC-11-0114-PAA-EG, on February 11, 2011, approving the Demand-Side Management (DSM) Plan for Gulf Power Company (Gulf). Gulf filed program standards on April 1, 2011, which were administratively approved by Commission Staff on April 28, 2011. Gulf previously filed revisions to its program standards on May 10, 2012, which were reviewed and approved by Staff on June 5, 2012.

On June 12, 2013, Gulf filed revisions to five program standards. Staff has reviewed Gulf's filings and believes the requested revisions are consistent with the DSM Plan approved by the Commission. Staff requests that Gulf notify the Commission prior to any additional changes being made to the program standards as filed.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Ballinger".
