Re: Docket No. 100159-EG - Revisions to Program Standards for Tampa Electric Company's Demand-Side Management Plan

Dear Mr. Bryant:

The Commission issued Order No. PSC-10-0736-PAA-EG, on December 20, 2010, approving the Demand-Side Management (DSM) Plan for Tampa Electric Company (TECO). As outlined in the Order, TECO filed program standards on February 11, 2011, which were administratively approved by Commission staff on February 16, 2011.

On June 20, 2013, TECO filed revisions to the Cool Roof program standards. Staff has reviewed TECO's filings and believes the requested revisions are consistent with the DSM Plan approved by the Commission in Order PSC 10-0736-PAA-EG, issued December 20, 2010. Staff requests that TECO notify the Commission prior to any additional changes being made to the program standards as filed.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Ballinger".

Tom Ballinger
Director of Engineering
