**Re: Docket No. 130007-EI**

Dear Ms. Cole:

At this time, Florida Power & Light Company ("FPL") has no new environmental projects to be submitted for cost recovery in above docket, other than the NO<sub>2</sub> Compliance Project for which FPL filed a petition for cost recovery on June 28, 2013. That project was fully described in the petition and accompanying prepared testimony.

Sincerely,
