Its my understanding that the stipulation needs to be filed in the appropriate dockets before the hearing starts Monday morning. If you could follow up that would be great. Thanks.

It only needs to be in 92 but since the DEP referenced 07 I wasn't sure if you would want to move it instead of simply put a copy in 92. As long as we get one in 92, we are OK.

Charlie, should Document 03682-13 be moved to Docket 130092, or should it be copied to 130092, meaning it would be in both 130007 and 130092?

Dorothy,

On June 28, 2013, the Florida DEP wrote Mr. Baez a letter regarding Gulf Power Company (Gulf) that references Docket No. 130007. On July 1, 2013, the letter was included in that file and assigned Document No. 03682-13. Gulf has brought it to my attention that the letter relates to the Docket No. 130092, and should have been filed there.

Please include the letter in the 130092 file.

Respectfully,

Charlie

Charles,

FYI

Wanted to update that for Gulf Power Company confidential documents 02941-13 and 02551-13 the memo filed on June 21, 2013 (Document No. 03633-13) should be used for your order.

Robert filed a memo on July 12, 2013 (Document No. 03984-13) which was an error. So kindly ignore.

Thank you

Robert,

Just as an FYI: If a confidential document is audit related, then APA will do the staff recommendation on confidentiality form, even though another Division is the OPR.

Example: Confidential DN 02941-13 (x-ref. DN 02551-13) in Docket 130007-EI.

**DN 02941-13** - GPC (McGee) - (CONFIDENTIAL) Certain information produced in connection with staff's review of GPC's 2012 expenditures (Audit Control No. 13-015-1-1). [x-ref. DN 02551-13]

You can bring up the confidential document number in CMS and go to Confidentiality Details and the responsible Division for the confidential document is indicated there.

Thanks.
