STAFF'S THIRD DATA REQUEST

RE: Docket No. 130136-GU -- Petition for approval of assumption of special contract with JDC Development, LLC by the Florida Division of Chesapeake Utilities Corporation.

Dear Ms. Keating:

Thank you for the information submitted in response to our Second Data Request. By this letter, the Commission staff is seeking clarification of the updated cost of service study submitted in the utility's response.

1. Based on the revised cost of service study submitted, please explain how the contract agreement will allow the Company to appropriately recover its costs of service (\$63,000) after the initial term.
2. Please indicate why no estimate is included for investment (and associated depreciation) in meters.
3. Please describe the Company's plan regarding how the investment in the infrastructure to serve JDC would be handled in the event that JDC were to terminate the contract after the initial term.

Please file the original and five copies of the requested information by Tuesday, August 6, 2013, with Ms. Ann Cole, Commission Clerk, Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida, 32399-0850. Please feel free to call me at (850) 413-6218 if you have any questions.

Sincerely,
