Pipeline System	regarding ive	Dated: July 26, 2013
STATE OF FLORIDA) 41	AFFIDAVIT OF HEATHER C. STUBBLEFIELD
COUNTY OF PALM BEACH) Ai	

BEFORE ME, the undersigned authority, personally appeared Heather C. Stubblefield who, being first duly sworn, deposes and says:

- 1. My name is Heather C. Stubblefield. I am currently employed by Florida Power & Light Company ("FPL") as Manager of Project Development, Energy Marketing and Trading Business Unit. I have personal knowledge of the matters stated in this affidavit.
- I have reviewed Exhibit C, and the documents that are included in Exhibit A to 2. FPL's Request for Confidential Classification, for which I am identified on Exhibit C as the affiant. The documents or materials that I have reviewed, and which are asserted by FPL to be proprietary confidential business information contain or constitute bid data provided by gas transportation companies in response to FPL's gas transportation Request for Proposals ("RFP"). The RFP provided that FPL would maintain the confidentiality of all proposals submitted. Thus, FPL is prohibited from publicly disclosing the subject data. Disclosure of this information would impair FPL's efforts to issue RFPs of any kind in the future. Additionally, the documents or materials also contain or constitute the proprietary information of the parties that submitted proposals. Thus, disclosure would impair the competitive business of the gas transportation companies that participated in FPL's RFP. Other materials consist of proprietary terms of precedent agreements between FPL and two gas transportation companies. Disclosure of this information would impair the competitive business of FPL and the gas transportation companies involved. All of this information, which FPL has identified on Exhibit C, is considered and treated as confidential by the parties.
- 3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.
 - 4. Affiant says nothing further.
