Good morning Mary Ann, appreciate the update on this matter. Hong had advised me to be on the lookout for a response as to what needed to be done. Per this email docket 130091-EI will NOT be reopened. A copy of your email will be placed in both dockets (130091-EI and 130208-EI) for the record as to what staff advised.

Shawn/Crystal, please place a copy of the email below in the ADM correspondence file in both dockets for the record.

Thanks Nonnye

Subject: Docket No. 130091-EI - Petition of Progress Energy Florida, Inc. to approve establishment of a regulatory asset and associated three-year amortization schedule for costs associated with PEF's previously approved thermal discharge compliance project.

Dear Ann:

On April 1, 2013, the Commission opened Docket No. 130091-EI, to address a petition filed by Duke Energy. In response, the Commission approved a regulatory asset by Order no. PSC-13-0381-PAA-EI and the order became final on September 6, 2013.

On August 1, 2013, Duke filed a Petition for limited proceeding to approve revised and restated stipulation and settlement agreement by Duke Energy Florida, Inc. d/b/a Duke Energy. This petition was assigned Docket No. 130208-EI. It is a global settlement of many issues and dockets, and involves many parties.

After receiving the global settlement, I requested that the August 1 petition be filed in all dockets named in the global settlement. The notice of hearing for the global settlement was also filed in all of the dockets named in the August 1 petition.

Staff has been asked to write a memo to reopen Docket No. 130091-EI because of the global settlement. Staff believes Docket No. 130091-EI should remain closed because all issues concerning Docket No. 130091-EI have been resolved and the PAA order is now final. Any action the Commission takes on the global settlement should have no impact on Order no. PSC-13-0381-PAA-EI.

Its my understanding that the stipulation needs to be filed in the appropriate dockets before the hearing starts Monday morning. If you could follow up that would be great. Thanks.
