Re: Request of CLEC provider Kissimmee Utility Authority to Cancel Competitive (Alternative) Local Exchange Telecommunications Service Certificate (CLEC (also referred to in the alternative as ALEC))FPSC Certificate No: 7642/FPSC Company Code: TX514

Dear Commission Clerk:

I represent and write on behalf of the Kissimmee Utility Authority (KUA). KUA holds a certificate for Competitive Local Exchange Telecommunications service with the Commission (Certificate No. **7642** and Company Code **TX514**). As KUA does not offer CLEC services to the public and has no CLEC services customers, KUA wishes to cancel its CLEC effective immediately.

I would be grateful for written confirmation of the cancellation. I can be reached at the address above or at my email address of [glacerte@kua.com](mailto:glacerte@kua.com).

If you have any questions, please don't hesitate to contact me.

Thanks so much.

Very truly yours,
