Subject: FW: Docket No. 130172-WS
Attachments: 2014 Sunny Hills Proforma PSC .pdf

Mr. Gabay:

The attached document appears to be a duplicate of an e-filing received from you at 11:38 a.m. today, regarding pro forma 2014 (assigned DN 00658-14). As such, the second filing received at 11:38 a.m. for pro forma 2014 has not been accepted for filing.

Please note for future filings, that it would be helpful to have the cover letter be incorporated at the beginning of the filing rather than at the end.

The e-filing requirements also state that certain things need to be listed on the e-mail transmittal form.

E-Mail Transmitting an Electronically Filed Document

- The e-mail message transmitting the document(s) to be filed is not itself considered a filing. Therefore, documents contained within the text of an e-mail transmission will not be considered filed.
- Multiple documents may be attached to the same e-mail transmittal. However, any cover letter or certificate of service must be included in the electronic document to which it relates, and shall not be submitted as a separate attachment to the e-mail.
- The e-mail message to which the document is attached shall include the following information, in the order listed:
 - a. The full name, address, telephone number, and e-mail address of the person responsible for the electronic filing,
 - b. The docket number and title if filed in an existing docket,
 - c. The name of the party on whose behalf the document is filed,
 - d. The total number of pages in each attached document., and
 - e. A brief but complete description of each attached document.

Please review the PSC e-filing requirements at <http://www.floridapsc.com/dockets/e-filings/>.
