Subject: APA Declassification Lists

Attached to this e-mail are two separate APA declassification lists which indicate when a declassification date has been/will be reached for a confidential document.

The declassification dates advises the Clerk's Office when a final disposition of a confidential document needs to be processed.

APA Lists are:

APA - Declassification List – Bureau of Auditing
APA – Declassification List – Performance Analysis Section

Please note that some of the documents do not have any declassification dates assigned to them and a couple have declassification dates that are past due, with no final action taken at this time. If you want declassification dates assigned to a confidential document, please send me an e-mail asking me to do so, with the specific confidential document number(s) and the specific declassification date.

Also, there are a few RAF related documents, in Docket 070000-OT, that will be ready for declassification/destruction on 7/1/2013. All applicable audits have to have been released before these documents can be destroyed. The documents are listed below:

00992-07 – AT&T (Hatch) - (CONFIDENTIAL) RAF return form (TA062).
00994-07 – AT&T (Hatch) - (CONFIDENTIAL) RAF return form (TJ615).
00996-07 – AT&T (Hatch) - (CONFIDENTIAL) RAF return form (TA032).
00998-07 – AT&T (Hatch) - (CONFIDENTIAL) RAF return form (TI327).
01271-07 – AT&T (Hatch) - (CONFIDENTIAL) RAF return form for 2006 (TG861).
01946-07 - BellSouth (Meza) - (CONFIDENTIAL) Four pages of 2003-2005 RAF returns for BellSouth and affiliates.

If you have any questions, please feel free to contact me.

Thank you.
