Mr. Barnes,

On 2/28/14 we received the e-mail shown below from you. Since then, the Clerk's Office has received e-mails from The Alliance for Solar Choice (TASC) advising that Anne Smart is no longer with TASC. Please advise if there is someone else whose name should be added to TASC's contact information. If TASC/Keyes Law Firm should be removed from the seven (7) dockets as interested persons, please advise as well. Thank you for your help.

The Commission accepts documents for filing by electronic transmission ("electronic filing" or "e-filing") provided the following requirements are met. Documents that fail to meet these requirements will not be accepted for electronic filing.

The acknowledgment indicates the document has been received, but does not confirm the document meets the requirements for electronic filing.

- Multiple documents may be attached to the same e-mail transmittal. However, any cover letter or certificate of service must be included in the electronic document to which it relates, and shall not be submitted as a separate attachment to the e-mail.

Any attachments also need to be in the same pdf. It appears that the proposed order is an attachment to the motion. If not, it needs a cover letter or memo and a signature.

Please see e-filing requirements on the Commission's website: <http://www.floridapsc.com/dockets/e-filings/>

Your filing will need to be revised and resubmitted in order to be eligible for electronic filing.

Hi Dorothy,

Please make Gary Perko (Hoping Law Firm) a Party of Record in the JEA docket (130203) and Gary Perko (Hopping Law Firm) an interested person in Docket 130199-130202. You do not need to make JEA an interested person in the dockets (The Hopping Law Firm should be sufficient). JEA (is obviously) a party of record in 130203.

Also, I noticed that FPL is listed as a Party of Record in Docket Nos. 130199-130203. FPL should be a Party of Record in 130199, only. Jessica Cano, John Butler and Kevin Donaldson are interested persons in Docket 130199. It is not necessary for FPL to be an interested person in Docket Nos. 130200-130203.

If you have any questions, let me know.

Hi Lee Eng,

CLK has received a notice of appearance (DN 00924-14) from Gary Perko on behalf of JEA in the above-mentioned dockets. We have added the Hopping Law Firm as an interested person in all of the above dockets. Please advise which, if any, dockets atty Perko should be considered a party of record or interested person.

We note that JEA is not listed as a party of record or interested person in Dockets 130199, 130200, 130201, and 130202. Should JEA be added as an interested person or party of record in those dockets?

JEA is a party of record in Docket 130203. [Commission review of numeric conservation goals (JEA).]
