Re: T-Mobile South LLC's Response, CLEC and Wireless Lifeline Data Request 2013

Dear Ms. Cole:

T-Mobile South LLC ("T-Mobile"), pursuant to Section 364.183(1), Florida Statutes, hereby claims that the information provided in its Response to Staff's CLEC and Wireless Lifeline Data Request 2013 contains confidential customer information that should be held exempt from public disclosure. Pursuant to Rule 25-22.006(5), Florida Administrative Code, the attached sealed envelope contains the documents with the confidential information. T-Mobile, as a commercial mobile radio service or wireless carrier, is exempt from this Commission's jurisdiction pursuant to sections 364.011(4) and 364.02(13)(c), Florida Statutes, and not obligated to respond to the Commission's data requests. However, T-Mobile is providing its Florida Lifeline customer count information as filed with the FCC on FCC Form 497 on a confidential basis as a courtesy to the Commission for the limited purpose of this year's annual Lifeline report to the Florida Legislature.

Please acknowledge receipt of this letter by stamping the extra copy of this letter and returning the same to me.

Thank you for your assistance with this filing.

Sincerely,

Floyd R. Self, Counsel for  
T-Mobile South LLC
