Good morning, Marguerite. Per our conversation with Mark on yesterday, no declassification date should be assigned and the attached documents can be returned to the source. Thank you for your assistance in this matter.

Jeff,  
A 9/3/13 declassification date was entered for the 2010 CLEC local competition report data request responses listed on the attachment to this e-mail.  
Do you want these documents to be returned to the source ?  
or  
Do you want to assign a new declassification date ?

Thanks.
