Re: Conservation Cost Recovery Clause
FPSC Docket No. 130002-EG

Dear Ms. Cole:

On September 11, 2013 in Docket No. 130040-EI the Commission voted to approve a Stipulation and Settlement Agreement by and between Tampa Electric Company and Office of Public Counsel, Florida Industrial Power Users Group, Florida Retail Federation, Federal Executive Agencies and WCF Hospital Utility Alliance. The approval of the Stipulation and Settlement Agreement in Docket No. 130040-EI resolves all issues in that base rate proceeding and affects Tampa Electric's position on a number of the issues in this docket.

On September 16, 2013 Tampa Electric filed Supplemental Testimony and Revised Exhibit HTB-2 of Howard T. Bryant. The effect of that filing is to make the Tampa Electric testimony in this docket consistent with what was approved in the Stipulation and Settlement Agreement in Docket No. 130040-EI.

Enclosed for filing in this docket are the original and fifteen (15) copies of Amended Petition of Tampa Electric Company, the effect of which is to revise the company's September 10, 2013 Petition to conform to the content of the testimony filed on September 16 in this docket. We are providing the Commission Staff with five copies of the Amended Petition marked in legislative format to show the changes made from the Petition originally filed on September 10, 2013. We are also providing the other parties to this proceeding a copy of Tampa Electric's Amended Petition marked in legislative format to reflect the changes being made.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.
