Jeff, thank you for bringing this to our attention. Per your request, the docket title has been updated to reflect "interconnection" rather than the full IURC.

Additionally, the description for DN 04675-13 has also been updated to more accurately reflect the initial filing, to include parenthesis around the "f/k/a" portion of Windstream's name, and to add the CLK note regarding the name in the agreement not matching the name as shown in MCD.

Dorothy, please change the docket title to just "interconnection" since none of the other elements are a part of the underlying ICA.
