COMMISSION CLERK

The above confidential material was filed along with a request for confidential classification. Please complete the following form by checking all applicable information and forward it to the attorney assigned to the docket, along with a brief memorandum supporting your recommendation.

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
 - (a) Trade secrets;
 - (b) Internal auditing controls and reports of internal auditors;
 - (c) Security measures, systems, or procedures;
 - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;
 - (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information;
 - (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.

This response was prepared by T. Matthews on 10/8/13, a copy of which has been sent to the Office of Commission Clerk and the Office of General Counsel.

RE: DN 05645-13 in Docket No. 130198, Petition for prudence determination regarding new pipeline system by Florida Power & Light Company

Pursuant to Section 366.093(3), F.S., Florida Power & Light Company (FPL) has requested confidential treatment of certain information provided in its response to staff's first data requests, Nos. 3 and 6.

Staff has carefully reviewed this material and agrees with FPL that it meets the criteria for confidential classification defined in Section 366.093(3)(d) and (e), F.S.

Therefore, staff recommends that FPL's request for confidential classification of the above-named material be approved.
