EXHIBIT A

Application Question 17(a) and (b) Managerial and Technical Personnel and Biographies

Time Warner Cable Business LLC will rely on the individuals identified in the following biographies for technical and managerial support in providing telecommunications services in Florida. Through arrangements with its parent Time Warner Cable Inc. ("Time Warner Cable"), Time Warner Cable Business LLC will have sufficient managerial and technical capability to ensure that Applicant can provide telecommunications services and operate DukeNet Communications, LLC ("DukeNet") after it is acquired. The management teams at Time Warner Cable include individuals with extensive experience in successfully developing and operating communications businesses.

Time Warner Cable is among the largest providers of video, high-speed data and voice services in the United States, connecting more than 15 million customers to entertainment, information, and each other. Time Warner Cable Business Services offers a full complement of business communications tools to small and medium sized businesses and enterprise sized companies. Its phone, Internet, Ethernet, cable TV, and security solutions are enhanced by award winning customer service and local support teams. Through its NaviSite subsidiary, the Company also offers managed and outsourced information technology solutions and cloud services. Time Warner Cable Business Class was founded in 1998. Accordingly, Time Warner Cable possesses the internal managerial resources to support Time Warner Cable Business LLC's Florida's operations, including DukeNet.

Biographies of key management personnel, including some of the officers and management of Time Warner Cable Business LLC, are provided below. Their collective wealth of expertise in telecommunications makes Time Warner Cable's management team well qualified to construct and operate facilities on behalf of Time Warner Cable Business LLC. The officers and management of Time Warner Cable also have the technical expertise, developed through designing, constructing, and operating telecommunications networks, to provide the proposed telecommunications services and to successfully own and operate DukeNet. Further information concerning directors and officers of Time Warner Cable can be found at <http://www.timewarnercable.com>.

The key managerial and technical personnel and their biographies are on the following pages.

Philip Meeks, Executive Vice President and COO, Business Services, Time Warner Cable, and President, Time Warner Cable Business LLC

Philip G. Meeks is Executive Vice President and Chief Operating Officer for Business Services at Time Warner Cable. In this newly created role, Mr. Meeks oversees all aspects of operations, sales and marketing for the company's rapidly growing business services unit, which serves more than 570,000 business customers and accounts for approximately \$2 billion in annual revenue.

Mr. Meeks most recently served as Senior Vice President of Cox Business, where he led 3,500 employees in making it the fastest growing business unit in the enterprise. Before joining Cox in 2008, he was the co-founder and lead executive for a start-up company focused on enhancing the supply chain between technology vendors and value added resellers in the Internet security, data storage, and VoIP markets. Mr. Meeks served in various strategy, sales, and account management roles during 20 years of service at MCI Telecommunications, including Senior Vice President of Sales Operations and Senior Vice President of Strategic Ventures and Alliances. He started his career at AT&T Information Systems/Southern Bell in 1979 and progressed through various sales and marketing leadership roles.

Mr. Meeks is a graduate of the University of Georgia, where he earned a bachelor's degree in Marketing and Journalism. He also completed executive education programs at both the Massachusetts Institute of Technology and the University of Virginia.

Mr. Meeks may be contacted at 60 Columbus Circle, New York, NY 10023, (212) 364-8205(phone), or Phil.Meeks@twcable.com.

Paul Lang, Senior Vice President, Business Services, Time Warner Cable

Paul Lang is Senior Vice President of Business Services at Time Warner Cable since March 2011. In this role, Mr. Lang oversees financial planning and analysis, all metrics, best practices, and business systems for the Company's commercial operations and is the point person for integration of NaviSite, Inc. He reports to Gerry Campbell, Executive Vice President of Business Services, and works closely with the company's Chief Financial Officer. Mr. Lang has served as the company's Group Vice President, Operations Finance. In that role, he oversaw Time Warner Cable's capital planning and forecasting, as well as finance functions related to a number of corporate departments, including the Advanced Technology Group, Technology Services Group, Business Services, Wireless, and Strategy. He joined Time Warner Cable in 2003 as Vice President of Finance for Voice Services. He was responsible for the development and implementation of business plans and financial management for the voice products. Previously, Mr. Lang spent three years as vice president of finance and operations with Winstar Communications. He has also held the positions of vice president of finance and vice president of operations with Qwest Communications and LCI Communications, and various other positions with Bell Atlantic Communications (now Verizon) and Trans National
