**Subject:** Residential gains - Eastern District

Teresa, I really appreciate you getting back with me so quickly. Based on our phone conversation this afternoon, I will take your original monthly residential gains for 2013 and add 12 to each month. The result is that the 2013 annual gains are now 595. Also, we will use 850 as the residential gains for 2014.

Thanks again for all your help, Teresa.

Jun
