Item 9 relates to a request for approval of miscellaneous service charges and an initial customer deposit for Holiday Gardens, Inc. Staff requests approval to make an oral modification to Issue 2 recommendation paragraph. The initial residential customer deposit of \$25.00 is a scrivener's error and should be reflected as \$24.00. This requested modification has no other effects on staff's recommendation. The specific modification is in type and strike format as follows:

**Recommendation:** Staff recommends that an initial residential customer deposit of ~~\$25.00~~ \$24.00 and an initial general service customer deposit of two-times the average bill should be approved. The Utility should file a revised tariff sheet and proposed notice consistent with the Commission's vote. The initial customer deposits should become effective for connections made on or after the stamped approval date of the revised tariff sheet after the customers have been notified. (Bruce)
