No, but can a copy be placed in the docket file for each of the listed Docket No's?

Good morning Jeff,

There is a document from BellSouth in 140000-OT, which I attached to this message, requesting the cancellation of four different agreements. Do I need to open a docket for this? And if so, would I need to open a docket for each agreement listed in the letter, or just one docket for all of them?

Thank you for your help,
