Catherine,
I am sorry for the oversight, my client did not disclose the bankruptcy. (He misunderstood the question, since the bankruptcy was discharged in June of 2012).
I am attaching the Ch. 7 final decree. Please let me know if you need any more information.
Sincerely,

Mordy Gross

Subject: Docket No. 130268-TX - Application Form for Authority to Provide Telecommunications Company Service with the State of Florida by Vitcom LLC

Good morning Mr. Gross,

On page 5 of the FPSC's Application Form for Authority to Provide Telecommunications Company Service with the State of Florida, part of question number 16 asks the applicant if any of its officers, directors, or ten largest stockholders have previously been a) adjudged bankrupt...

This question was answered no. It has come to staff's attention that the President of Vitcom LLC, Mr. Mark F. Saccente, filed for Chapter 7 Bankruptcy in November of 2011. In order for the Application Form for Authority to Provide Telecommunications Company Service with the State of Florida to be processed, the application must be complete and accurate. Please provide additional information regarding the answer provided to question number 16, and any other updates that need to be made to the questions asked in the application.

If you have any questions please feel free to contact me, thank you.
