Per this e-mail the suggested docket title for the request to establish docket regarding the PalmTel cancellation of pay telephone certification will be changed to "Certificate No. 5470" instead of "Certificate No. TG167."

Hello Shawna,

Could you please update the suggested docket title for the request to establish docket regarding the PalmTel cancellation of pay telephone certification no. to state 5470 instead of TG167? That was an error on my part. Thank you!
