RE: Expiration of TRS Contract

Dear Bob,

Pursuant to Section 2 of the Contract to Provide Telecommunication Relay Service (TRS), AT&T is hereby providing written notice to the Florida Public Service Commission that AT&T does not intend to extend the contract into the option periods. This communication is consistent with the message AT&T conveyed to you on October 29<sup>th</sup> that AT&T will not be pursuing an extension of the existing contract to provide TRS in Florida when it expires on May 31, 2015.

Please be assured that AT&T is committed to continue providing Florida and its residents with the same level high-level of service for the duration of our contract. AT&T also stands by to assist in a smooth transition to the new TRS provider at the appropriate time.

If you have any questions, please feel free to contact either Sid Minnick or myself.

Sincerely,

A handwritten signature in cursive script that reads "Michael J. Barry".
