Re: Docket No. 130211-WS – Application for staff-assisted rate case in Polk County by S.V. Utilities, Ltd.

Dear Mr. Friedman:

Staff needs the following information to facilitate our review of the application filed by S.V. Utilities, Ltd. (SV or Utility).

1. Currently, the Utility bills its customers on a quarterly basis. In the past, where appropriate, the Commission has changed quarterly billing to monthly billing. The change in the frequency of customer billing may result in an increase to the Utility's expenses. Please provide the additional expenses that the Utility will incur if the billing changes from quarterly to monthly.
2. Please identify the general service customers by name and meter size. If any of the general service customers were not billed for the entire 12 month period ending June 30, 2013, please indicate when the Utility started billing the customers and provide all billing data collected to date.
3. Please identify the irrigation customers by name and meter size. If any of the irrigation customers were not billed for the entire 12 month period ending June 30, 2013, please indicate when the Utility started billing the customers and provide all billing data collected to date.
