BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

IN RE: Petition for increase in rates by Florida Power & Light Company Docket No: 120015-EI Date: February 14, 2013

FLORIDA POWER AND LIGHT COMPANY'S FIRST REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION OF INFORMATION PROVIDED PURSUANT TO MFRs D-2 AND F-4

Pursuant to Section 366.093, Florida Statutes (2012) ("Section 366.093"), and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") hereby submits its First Request for Extension of Confidential Classification of Information Provided Pursuant to MFRs D-2 and F-4 ("Confidential Information"). In support of this request, FPL states as follows:

1. On March 19, 2012 ("March 19, 2012 Request") FPL filed a Request for Confidential Classification of the Confidential Information. The March 19, 2012 Request included Exhibits A, B, C, and D. By Order No. PSC-12-0424-CFO-EI, dated August 15, 2012 ("Order 0424"), the Commission granted FPL's March 19, 2012 Request. FPL adopts and incorporates by reference the March 19, 2012 Request and Order 0424.

2. The period of confidential treatment granted by Order 0424 will soon expire. The Confidential Information that was the subject of FPL's March 19, 2012 Request and Order 0424 warrants continued treatment as proprietary and confidential business information within the meaning of Section 366.093(3). Accordingly, FPL hereby submits its First Request for Extension of Confidential Classification.

3. All of the information designated in Exhibit A and Exhibit B to the March 19, 2012 Request remains confidential. Accordingly, those exhibits will not be reproduced or reattached here. 4. Included with this Request are First Revised Exhibit C and First Revised Exhibit D. First Revised Exhibit D consists of the affidavits of Paul Cutler and Lisa Fuca in support of this request. Regarding First Revised Exhibit C, all of the information listed in the March 19, 2012 Request remains confidential; that Exhibit is revised only to identify Lisa Fuca as a new affiant in the place of J.A. Stall.

5. The Confidential Information continues to be treated by FPL as proprietary and confidential business information, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

6. As the affidavits included in First Revised Exhibit D indicate, the confidential information in MFR D-2 consists of information about the capital structure of affiliated and consolidated companies. If publicly disclosed, this information would harm the competitive interests of the provider of the information and would trigger Securities and Exchange Commission reporting obligations. This information is protected by section 366.093(3)(e), Florida Statutes.

7. Additionally, the information in MFR F-4 consists of security measures, systems, or procedures. This information is protected by section 366.093(3)(c), Florida Statutes.

8. Nothing has changed since the Commission entered Order 0424 to render the Confidential Information stale or public, such that continued confidential treatment would not be appropriate.

2

9. Upon a finding by the Commission that the Confidential Information remains proprietary and confidential business information, the information should not be declassified for at least an additional eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat. (2012).

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavits included herewith, Florida Power & Light Company respectfully requests that its First Request for Extension of Confidential Classification be granted.

Respectfully submitted,

John T. Butler Assistant General Counsel - Regulatory Maria J. Moncada, Principal Attorney Florida Power & Light Company 700 Universe Boulevard Juno Beach, FL 33408 Telephone: (561) 304-5795 Facsimile: (561) 691-7135 Email: maria.moncada@fpl.com

AFFIDAVIT OF PAUL CUTLER

BEFORE ME, the undersigned authority, personally appeared Paul Cutler who, being first duly sworn, deposes and says:

1. My name is Paul Cutler. I am currently Treasurer of NextEra Energy, Inc. and Florida Power & Light Company. My business address is 700 Universe Boulevard, Juno Beach, Florida, 33408. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents that are included in First Revised Exhibit A to FPL's First Request for Extension of Confidential Classification of Information Obtained in Connection with Docket No. 120015-EI, for which I am listed as the affiant on First Revised Exhibit C. The information that FPL asserts is proprietary and confidential business information includes projected information about the capital structures of affiliated and consolidated companies. This information, if made public, would harm the competitive interests of the provider of the information and would trigger Securities and Exchange Commission reporting obligations. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

Nothing has occurred since the issuance of Order No. PSC-12-0424-CFO-EI to 3. render the information stale or public, such that continued confidential treatment would not be appropriate. Therefore, the information should remain confidential for a period of at least an additional eighteen (18) months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
