

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

IN RE: Petition for increase in rates by Florida
Power & Light Company

Docket No: 120015-EI
Date: February 14, 2013

**FLORIDA POWER AND LIGHT COMPANY'S FIRST REQUEST
FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION OF
DOCUMENTS PRODUCED IN DISCOVERY (ref: Order No. PSC-12-0431-CFO-EI)**

Pursuant to Section 366.093, Florida Statutes (2014) ("Section 366.093"), and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") hereby submits its First Request for Extension of Confidential Classification of Documents Produced in Discovery, related to the attachments to its response to Office of Public Counsel's ("OPC's") First Request for Production, Nos. 5 and 6; OPC's Eighth Set of Interrogatories Nos. 156; Staff of Florida Public Service Commission's ("Staff's") Sixth Request for Production No. 50 Part I- Attachments 2a, 3, 4, 6a, 11, 14, 15, 16, 19, 20, 23, 25 (pages 77-85), 27, 29, 31, and 33; Staff's First Request for Production No. 11; Staff's First Request for Production No.2: 2011 Analyst Research Reports (pages 1, 4, 5, 9, 29, 48, 69, 82, 84, 91, 121, 122, 132, 133, 166, 167, 176, 198, 207, 217, 247, 256, 257, 295, 301, 307, 335, 345, 362, 399, 424, 477, 633, 643-646, 669-671, 696, 739-741, and 891) and 2012 Analysts Research Reports (pages 4, 10, 39, 44, 47, 55, 72) (collectively, the "Confidential Discovery Responses"). In support of this request, FPL states as follows:

1. On August 16, 2012 ("August 16, 2012 Request") FPL filed a Request for Confidential Classification of the Confidential Discovery Responses. The August 16, 2012 Request included Exhibits A, B, C, and D. By Order No. PSC-12-0431-CFO-EI, dated August

20, 2012 (“Order 0431”), the Commission granted FPL’s August 16, 2012 Request. FPL adopts and incorporates by reference the August 16, 2012 Request and Order 0431.

2. The period of confidential treatment granted by Order 0431 will soon expire. The Confidential Discovery Responses that were the subject of FPL’s August 16, 2012 Request and Order 0431 warrants continued treatment as proprietary and confidential business information within the meaning of Section 366.093(3). Accordingly, FPL hereby submits its First Request for Extension of Confidential Classification.

3. All of the information designated in Exhibit A and Exhibit B to the August 16, 2012 Request remains confidential. Accordingly, those exhibits will not be reproduced or reattached here.

4. Included with this Request are First Revised Exhibit C and First Revised Exhibit D. First Revised Exhibit D consists of the affidavits of Fabian Tejedor, Roxane Kennedy, Bruce Wuenker, Erica A. McNabb, Maria Besada, Kimberly Herron, Mitchell Goldstein, David Bromley, Gerard J. Yupp, Solomon Stamm, Chad Little, Alissa E. Ballot, Michael Toal and Joseph Balzano in support of this request. Regarding First Revised Exhibit C, all of the information listed in the August 16, 2012 Request remains confidential; that Exhibit is revised only to identify Chad Little as a new affiant in the place of Kathryn Salvador.

5. The Confidential Discovery Responses continue to be treated by FPL as proprietary and confidential business information, and disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business

information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

6. As the affidavits included in First Revised Exhibit D indicate, certain documents provided by FPL contain information related to contractual data such as pricing and other terms payment records and vendor supplier rates, the disclosure of which would impair the efforts of FPL to contract on commercially favorable terms for the benefit of its customers and would impair the competitive interests of FPL and its vendors. Certain information in these documents and materials would also place FPL at a disadvantage when coupled with other information that is publicly available. This information is protected by Section 366.093(3)(d), Fla. Stat.

7. Additionally, certain information relates to FPL's competitive interests. Disclosure would impair the competitive business of FPL and the provider of the information. Such information is protected by Section 366.093(3)(e), Fla. Stat.

8. Nothing has changed since the Commission entered Order 0431 to render the Confidential Discovery Responses stale or public, such that continued confidential treatment would not be appropriate.

9. Upon a finding by the Commission that the Confidential Discovery Responses remain proprietary and confidential business information, the information should not be declassified for at least an additional eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat. (2014).

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavits included herewith, Florida Power & Light Company respectfully requests that its First Request for Extension of Confidential Classification be granted.

Respectfully submitted,

AFFIDAVIT OF ALISSA E. BALLOT

BEFORE ME, the undersigned authority, personally appeared Alissa E. Ballot who, being first duly sworn, deposes and says:

1. My name is Alissa E. Ballot. I currently serve as Vice President & Corporate Secretary of NextEra Energy, Inc. ("NEE") and Florida Power & Light Company ("FPL"). My business address is 700 Universe Boulevard, Juno Beach, Florida, 33408. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents that are included in FPL's First Request for Extension of Confidential Classification of Information Obtained in Connection with Docket No. 120015-EI, for which I am listed as the affiant on First Revised Exhibit C. Such documents or materials that I have reviewed and which, in whole or in part, are asserted by NextEra Energy and FPL to be proprietary confidential business information, and contain or constitute competitively sensitive information, the disclosure of which could impair the competitive business of the provider of the information. Specifically, the information includes NextEra Energy board of director discussions and presentations related to business plans and strategies. To the best of my knowledge, NextEra Energy and FPL have maintained the confidentiality of these documents and materials.

3. Nothing has occurred since the issuance of Order No. PSC-12-0431-CFO-EI to render the information stale or public, such that continued confidential treatment would not be appropriate. Therefore, the information should remain confidential for a period of at least an additional eighteen (18) months. These materials should be returned to NextEra Energy and FPL as soon as the information is no longer necessary for the Commission to conduct its business so that NextEra Energy and FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

2. I have reviewed the documents that are included in First Revised Exhibit A to FPL's First Request for Extension of Confidential Classification of Information Obtained in Connection with Docket No. 120015-EI, for which I am listed as the affiant on First Revised Exhibit C. Such documents or materials that I have reviewed and which, in whole or in part, are asserted by FPL to be proprietary confidential business information, contain or constitute competitively sensitive information, the disclosure of which could impair the competitive business of the provider of the information. Specifically, the information contains or constitutes natural gas contracts with affiliates that operate in a competitive market environment. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Nothing has occurred since the issuance of Order No. PSC-12-0431-CFO-EI to render the information stale or public, such that continued confidential treatment would not be appropriate. Therefore, the information should remain confidential for a period of at least an additional eighteen (18) months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
