IN RE: Petition for increase in rates by Florida
Power & Light Company

Docket No: 120015-EI
Date: February 14, 2013

**FLORIDA POWER AND LIGHT COMPANY'S FIRST
REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION OF
DOCUMENTS PRODUCED IN DISCOVERY (ref: Order No. PSC-12-0422-CFO-EI)**

Pursuant to Section 366.093, Florida Statutes (2014) ("Section 366.093"), and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") hereby submits its First Request for Extension of Confidential Classification of Documents Produced in Discovery, related to certain information included in its responses to the Staff of the Florida Public Service Commission's ("Staff's") Seventh Set of Interrogatories No. 242, Attachment 1; Staff's Sixth Request for Production of Documents No. 50: Part 1 (only Attachments 22 and 35) and Part 2 (all); Office of the Public Counsel's ("OPC's") First Request for Production of Documents No. 8; and OPC's Eighth Set of Interrogatories Nos. 146, 148, 149, 151, 157 and 161 (collectively, the "Confidential Discovery Responses"). In support of this request, FPL states as follows:

1. On July 23, 2012 ("July 23, 2012 Request") FPL filed a Request for Confidential Classification of the Confidential Discovery Responses.¹ The July 23, 2012 Request included Exhibits A, B, C, and D. By Order No. PSC-12-0422-CFO-EI, dated August 15, 2012 ("Order 0422"), the Commission granted FPL's July 23, 2012 Request. FPL adopts and incorporates by reference the July 23, 2012 Request and Order 0422.

¹ The July 23, 2012 Request included FPL's response to Interrogatory No. 144 of OPC's Eighth Set of Interrogatories. FPL no longer requires confidential classification for that information.

2. The period of confidential treatment granted by Order 0422 will soon expire. Some of the Confidential Discovery Responses that were the subject of FPL's July 23, 2012 Request and Order 0422 warrants continued treatment as proprietary and confidential business information within the meaning of Section 366.093(3). Accordingly, FPL hereby submits its First Request for Extension of Confidential Classification.

3. Included with this Extension Request are First Revised Exhibit A, First Revised Exhibit B, together with First Revised Exhibit C to reduce the number of pages for which confidential treatment is sought. FPL has identified in First Revised Exhibits A and B and Third Revised Exhibit C all of the information in the working papers that warrants continued confidential treatment. First Revised Exhibit C is a table that identifies the specific pages, lines or columns that remain confidential. The table also references the specific statutory bases for confidentiality and the affiants who support the requested classification. Also included in support of this Extension Request is First Revised Exhibit D, which consists of the affidavits of Justin Sobol, Bruce Wuenker, David Bromley, Solomon Stamm, Maria Besada, Antonio Maceo and Shavaugn Hegley.

4. The Confidential Discovery Responses identified in First Revised Exhibit C continue to be treated by FPL as proprietary and confidential business information, and their disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

5. As the affidavits included in First Revised Exhibit D indicate, the information provided by FPL includes information relating to internal auditing controls and reports of internal auditors. Such information is protected by section 366.093(3)(b), Florida Statutes.

6. Also, certain information contains contractual data such as pricing and other terms payment records and vendor supplier rates, the disclosure of which would impair the efforts of FPL to contract on commercially favorable terms for the benefit of its customers and would impair the competitive interests of FPL and its vendors. Certain information in these documents and materials would also place FPL at a disadvantage when coupled with other information that is publicly available. This information is protected by Section 366.093(3)(d), Fla. Stat.

7. Certain information also relates to FPL's competitive interests. Disclosure would impair the competitive business of FPL and the provider of the information. Additionally, certain documents contain competitively sensitive data related to certain employees' compensation. Public disclosure of compensation information would enable competing employers to meet or beat the compensation offered by FPL, resulting in the loss of talented employees, or conversely, the need to increase the level of compensation already paid in order to retain these employees and attract new talent. The quality of service and the cost of service implications would be detrimental to FPL and its customers. This information is protected by Section 366.093(3)(e). Such information is protected by Section 366.093(3)(e), Fla. Stat.

8. Nothing has changed since the Commission entered Order 0422 to render the Confidential Discovery Responses stale or public, such that continued confidential treatment would not be appropriate.

9. Upon a finding by the Commission that the Confidential Discovery Responses remain proprietary and confidential business information, the information should not be declassified for at least an additional eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat. (2014).

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavits included herewith, Florida Power & Light Company respectfully requests that its First Request for Extension of Confidential Classification be granted.

Respectfully submitted,

AFFIDAVIT OF JUSTIN SOBOL

BEFORE ME, the undersigned authority, personally appeared Justin Sobol who, being first duly sworn, deposes and says:

1. My name is Justin Sobol. I am currently employed by FPL as Project Manager, Development. My business address is 700 Universe Boulevard, Juno Beach, Florida, 33408. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents that are included in First Revised Exhibit A to FPL's First Request for Extension of Confidential Classification of Information Obtained in Connection with Docket No. 120015-EI, for which I am listed as the affiant on First Revised Exhibit C. Such documents or materials that I have reviewed and which, in whole or in part, are asserted by FPL to be proprietary confidential business information, contain or constitute competitively sensitive information, the disclosure of which could impair the competitive business of the provider of the information. Specifically, the information contains or constitutes information related to property that is currently the subject of litigation, the disclosure of which would impair FPL's ability to litigate. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Nothing has occurred since the issuance of Order No. PSC-12-0422-CFO-EI to render the information stale or public, such that continued confidential treatment would not be appropriate. Therefore, the information should remain confidential for a period of at least an additional eighteen (18) months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
