Thank you, Tom. Prog Mod A3(a) has been deleted from the three dockets listed below, and we will not add it to the two dockets referenced above.

Mary, per your request, I'm advising you that we have changed prog mod codes for the three dockets in red below.

I forgot about that one. In that case, you need to remove Prog Mod code A3(a) from dockets **140073, 140064, and 140068**.

Good afternoon, Tom,

We have received your prog mod report with the request to add Prog Mod code A3(a) to Dockets 140065 and 140069. I believe we may need a confirmation on that as the last instruction we have from Lisa Harvey to Ann Cole is shown below. Please review and advise. Thank you for your help!

Subject: Standard Offer Contracts

Ann,

Met with staff this morning regarding a PHO vs Administrative issue that came up yesterday in a briefing with one of the Commissioners. Staff agrees that in the future, when assigning a prog mod code to a “new or amended standard offer contract” docket, we should not use the program code A3(a). Could you please make sure it is removed from the guidelines you follow when assigning program module codes.
