Re: Docket No. 130229-WS; Application for amendment of territory for Certificate
Nos. 622-W and 564-S in Volusia and Brevard Counties by Farmton Water
Resources LLC
Our File No. 36029.04

Dear Ms. Stauffer,

As a result of being notified by the staff recently that the description of the water territory as noticed by the utility many months ago did not conform exactly to the description of the water service area contained within the exhibits to the application filed in the above-referenced matter, the utility has decided to restrictively amend its application for amendment of water service territory so that it conforms exactly to the territory noticed in both the publication and mailed notices.

Please consider this to be our official request to restrictively amend the water portion of our application so that the proposed water service territory conforms to that which was contained in the notices.

In order to provide the Commission with all of the revisions to the application for amendment of service territory which recognizes this restrictive amendment to the water service area, I am attaching hereto versions of:

1. Revised Figure 1 to Exhibit #1.
2. Revised Figure 3 to Exhibit #1.
3. Revised Appendix B to Exhibit #1- reduced size maps
4. Revised water portion of Appendix D to Exhibit #1 – full size maps
5. Revised Water Tariff Sheet No. 3.1 to Exhibit 2.

The original and 15 copies of all of these revised items are attached and should replace those originally filed with the application. One copy of the full size maps (Appendix D) is enclosed in accordance with Rule 25-30.037(3) and (4).

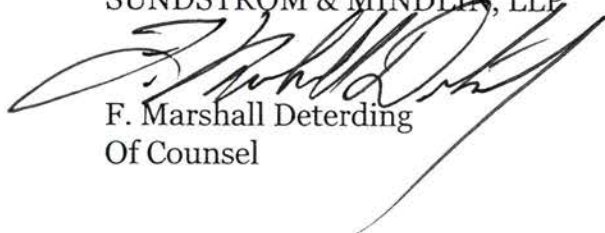

These should replace like numbered figures, portions of appendices and tariff sheets in the original application.

Also attached hereto is the utility's revised edit to Attachment A to the staff recommendation dated March 27, 2014 in order to incorporate this restrictive amendment and other corrections.

Should you or any members of the Commission staff have any questions in this regard, please do not hesitate to contact me.

Sincerely,
