Issue 2: Should this docket be closed?

Recommendation: No. If a protest is filed by a substantially affected person within 21 days of issuance of the order, the tariff should remain in effect, with any revenues held subject to refund, pending resolution of the protest. If no timely protest is filed, this docket will become final upon the issuance of a consummating order. However, this docket should remain open to allow staff to verify that the revised tariff sheet and customer notice have been filed by EPS and approved by staff. Once staff has verified that the revised tariff sheet and customer notice have been filed by EPS and approved, the docket should be closed administratively.
