The above confidential material was received with a request for confidential classification. Please complete the following form by checking all applicable information and forward it to the attorney assigned to the docket, along with a brief memorandum supporting your recommendation.

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
 - (a) Trade secrets;
 - (b) Internal auditing controls and reports of internal auditors;
 - (c) Security measures, systems, or procedures;
 - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;
 - (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information;
 - (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.

DATE: April 3, 2014
TO: Martha F. Barrera, Senior Attorney, Office of the General Counsel
FROM: Dale R. Buys, Public Utility Analyst IV, Division of Accounting & Finance 
RE: Staff's recommendation on FPL's request for confidential treatment of certain information contained in Document No. 01386-14, filed in Docket No. 130062-EI.

Request by FPL (Rubin) for confidential treatment of highlighted information in Exhibit 1(h) attached to FPL's consummation report filed on March 19, 2014.

Pursuant to Section 366.093 of the Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company (FPL or the Company) requests confidential classification of certain highlighted information contained in Document No. 01386-14 which was filed as part of the Company's consummation report in Docket No. 130062-EI.

Staff has reviewed FPL's confidentiality request and concurs with the Company. Document No. 01386-14 contains proprietary and confidential business information that is treated by FPL as private, the disclosure of which could harm the competitive interests of the Company. In staff's opinion, the request meets the criteria for confidentiality set forth in section 366.093(3)(d) and (e), Florida Statutes. Therefore, staff recommends that FPL's request for confidentiality be approved.
