Mr. Moyle:

Thank you for providing the additional information. A copy of the following e-mail was provided to Ms. Qualls moments ago. I hope you find this information helpful.

Ms. Qualls:

Thank you for bringing this matter to our attention. It appears the motion to strike was filed 3 times. The first two referenced Docket 140007. The first one was accepted as a filing and assigned DN 06201-14. The second version was rejected as it was a duplicate of DN 06201-14. The third version was corrected to reflect Docket 140001. The corrected version was assigned DN 06202-14. Per a request from atty Barrera, we have moved DN 06201-14 from Docket 140007 to Docket 140001. Since DN 16201-14 had already been accepted as a filing, we are unable to remove it from the docket, but DN 06202-14 corrects that filing, and atty Barrera's memo (DN 06205-14) provides clarification. I hope you find this information helpful.

The first filing was styled incorrectly in the 07 docket; the second filing is styled, correctly, in the 01 docket. Hope this helps. Jon

We filed a document under the wrong case number 140007, it was FIPUGs Motion to Strike FPL's Request. If possible please remove it from that docket. I have refiled a corrected version in the appropriate case which is 140001.

Thank You.
