FINAL ORDER APPROVING AMENDMENT OF
CERTIFICATE NOS. 631-W AND 540-S TO EXTEND TERRITORY

BY THE COMMISSION:

On December 17, 2013, Central Sumter Utility Company, LLC (Central Sumter or Utility) filed an application to amend Certificate Nos. 631-W and 540-S to add territory in Lake County. Central Sumter is a Class B Utility, providing water services to approximately 3,334 water and 3,177 wastewater customers in Sumter County. The Utility plans to extend its service territory in order to provide water and wastewater service to approximately 2,041 residential and commercial customers in the new service area, within Lake County.

Central Sumter's original water and wastewater certificates were granted in 2005. There have been two amendments to the certificates the last being in 2013.¹ We have jurisdiction pursuant to Section 367.045, Florida Statutes (F.S.).

We find that the Utility's application to amend its authorized service territory is in compliance with Section 367.045, F.S., and Rule 25-30.036, Florida Administrative Code (F.A.C.). The application contains proof of compliance with the noticing provisions set forth in Rule 25-30.030, F.A.C. No objections to the application have been received, and the time for filing such expired.

The proposed service territory is intended to serve approximately 2,041 additional customers, including both residential single-family homes and commercial customers, in an area of approximately 353 acres adjacent to the Utility's existing service territory, of approximately

¹ On February 2, 2013, the Utility requested an amendment to its territory to provide service to an additional 1,579 water and 1,421 wastewater customers which was granted on May 29, 2013. See Order No. PSC-13-0231-FOF-WS, issued May 29, 2013, in Docket No. 130047-WS, In re: Application for amendment of water and wastewater Certificate Nos. 631-W and 540-S, to extend service area, in Sumter County by Central Sumter Utility Company, LLC.

6,106 acres. The application contains a warranty deed as evidence that Central Sumter owns the land upon which the Utility's facilities are located. Adequate service territory maps and territory descriptions have also been provided.

The Utility's application included a statement indicating that Central Sumter is an affiliate of The Villages, Inc. (The Villages). The Villages is a real estate development company that will develop the proposed amended territory, and provide the financial and operating support necessary for the Utility to be successful. Based on projection with the inclusion of the proposed extension, the water treatment plant has a projected maximum daily demand at build-out that is within the 4.320 mgd maximum capacity. Likewise, the projected daily demand at build-out is within the 1.60 mgd capacity for the wastewater treatment plant. The provision of water and wastewater services in the proposed service territory is consistent with the Lake County Comprehensive Plan, and there are no outstanding Consent Orders or Notices of Violation from DEP.

Based on the foregoing, we find it is in the public interest to amend Certificate Nos. 631-W and 540-S to include the territory as described on Attachment A, effective the date our vote. Thus, we approve the Utility's application to amend the Certificates. This Order shall serve as Central Sumter's amended certificates, and shall be retained by the Utility. The Utility shall charge the customers in the territory added herein, the rates and charges contained in its current tariff until we authorize a change in a subsequent proceeding.

Based on the foregoing, it is

ORDERED by the Public Service Commission that Central Sumter Utility Company, LLC's Certificate Nos. 631-W and 540-S are amended to include the territory as described on Attachment A. It is further

ORDERED that this Order shall serve as Central Sumter Utility Company, LLC's amended certificates and shall be retained by the Utility. It is further

ORDERED that Central Sumter Utility Company, LLC shall charge the customers in the territory added herein, the rates and charges contained in its current tariffs until a change is authorized in a subsequent proceeding before this Commission. It is further

ORDERED that this docket shall be closed.

By ORDER of the Florida Public Service Commission this 18th day of April, 2014.
