Section 63.71 Application of)
EveryCall Communications, Inc.)

SECTION 63.71 APPLICATION

EveryCall Communications, Inc. ("EveryCall," the "Company" or "Applicant") hereby seeks authorization pursuant to Section 214(a) of the Communications Act of 1934, as amended (the "Act"), 47 U.S.C. § 214, and Section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue its provision of domestic telecommunications within the Company's service territory - specifically prepaid and postpaid local exchange and long distance services that the Company currently provides to customers on a resale basis in Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, and Texas using AT&T as the underlying carrier.

EveryCall Communications, a Louisiana corporation, operates as a provider of domestic competitive telecommunications services, primarily in the southeastern United States. Currently, EveryCall Communications offers its customers prepaid and postpaid wireline packages of residential local exchange and interexchange services. EveryCall Communications does not provide international services.

In response to changing market conditions, EveryCall has determined that it is no longer economically feasible to provide their services in the market areas served by AT&T. The proposed discontinuance will not result in harm to the affected customers because they are being provided with ample notice of the discontinuance and equivalent service offerings are available from other carriers.

One or more other carriers in each state provide similar prepaid packages and many more carriers, including the incumbent carriers, provide these services on a post-paid basis.

The Applicant provides the following information pursuant to Section 63.71 of the Commission's Rules:

I. Name and Address of Carrier: Applicant's name and address is EveryCall Communications, Inc., 4315 Bluebonnet Blvd., Ste A, Baton Rouge, LA 70809.

2. Date of Planned Service Discontinuance, Reduction or Impairment: Subject to receipt of necessary federal and state regulatory authorizations², the proposed discontinuance is scheduled to take place on June 15, 2014.

3. Points of Geographic Areas of Service Affected: EveryCall Communications proposes to discontinue the provision of prepaid and postpaid wireline local exchange and interexchange services delivered to subscribers in Alabama, Georgia, Florida, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, and Texas.

4. Brief Description of Type of Service Affected: The communications services affected by the proposed discontinuance consist of prepaid and postpaid wireline residential local exchange and interexchange services.

5. Brief Description of the Dates and Methods of Notice to All Affected Customers: On April 15, 2014, EveryCall Communications, Inc. sent written notice to affected customers by first-class mail in accordance with the requirements of Section 63.71(a) of the Commission's rules, informing them that the Company will cease provision of their telephone service effective June 15, 2014.

² *EveryCall Communications understands that this application will be granted automatically on the 31st day after public notice of filing unless the Commission notifies the Company to the contrary.*

The notice clearly underscores that customers must make arrangements with another carrier to avoid loss of service and provides a toll-free telephone number that customers may call to reach EveryCall Communications service representatives for assistance with this transition. A sample copy of the notice sent to EveryCall Communications' customers is appended as *Exhibit A*.

6. Whether the Carrier is Considered Dominant or Non-Dominant with Respect to the Service to Be Discontinued, Reduced or Impaired: Applicant is considered non-dominant with respect to the affected services.

In accordance with Section 63.71 of the Commission's Rules and concurrent with this filing, a copy of this Application is being mailed to (i) the Governors and Public Service Commissions (or equivalent) of Alabama, Georgia, Florida, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, and Texas and (ii) to the Special Assistant for Telecommunications for the Secretary of Defense.

Additional questions regarding this application should be addressed to the undersigned.

Respectfully submitted,
