In re: Petition for rate increase by Florida
Power & Light Company

Docket No: 120015-EI
Date: May 16, 2014

**FLORIDA POWER AND LIGHT COMPANY'S FIRST REQUEST FOR
EXTENSION OF CONFIDENTIAL CLASSIFICATION OF CERTAIN DOCUMENTS
PRODUCED IN RESPONSE TO STAFF'S SIXTH REQUEST FOR PRODUCTION NO. 50**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") hereby submits its First Request for Extension of Confidential Classification of Certain Documents Produced in Response to the Florida Public Service Commission's ("Staff") Sixth Request for Production of Documents No. 50 (Bates No. 4680-4764; 4807-4845, and 5136-5227). In support of its request, FPL states as follows:

1. On September 12, 2012 FPL filed a Request for Confidential Classification of Certain Documents Produced in Response to Staff's Sixth Request for Production of Documents No. 50. The September 12, 2012 Request included Exhibits A, B, C and D. By Order No. PSC-12-0625-CFO-EI, dated November 20, 2012 (Order "0625") the Commission granted FPL's September 12, 2012 Request. FPL adopts and incorporates by reference the September 12, 2012 Request and Order 0625.

2. The period of confidential treatment granted by Order 0625 will soon expire. Some of the documents included FPL's September 2012 Request warrant continued treatment as proprietary and confidential business information within the meaning of Section 366.093(3). Accordingly FPL hereby submits its First Request for Extension of Confidential Classification.

3. Included with this Request are First Revised Exhibit A, First Revised Exhibit B, First Revised Exhibit C and First Revised Exhibit D.

4. As noted above, only some of the information that was confidential at the time of the September 2012 Request warrants continued confidential treatment. FPL has identified in First Revised Exhibit A and First Revised Exhibit B all of the information that remains confidential. First Revised Exhibit C contains a table identifying the specific pages, lines, columns or fields that remain confidential. The table also cites the specific statutory bases for the claim of confidentiality and identifies the affidavits in support of the requested classification.

5. First Revised Exhibit D contains the affidavit of Justin Sobol.

6. The Confidential Information continues to be treated by FPL as proprietary and confidential business information, and its disclosure would cause harm to FPL and its customers. Pursuant to Section 366.093, such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

7. As the affidavit included in Exhibit D indicates, certain materials provided by FPL contain information concerning bids and other contractual information, the disclosure of which would impact FPL's ability to contract for service on favorable terms. Specifically, the information contains or constitutes information related to property that is currently the subject of litigation, the disclosure of which would impair FPL's litigation position and would provide an advantage to the opposing party. This information is protected by Section 366.093(3)(d), Florida Statutes. Additionally certain information provided by FPL related to FPL's competitive interests. The materials contain certain information regarding FPL's business strategies related to property acquisition. The disclosure of such strategies would negatively impact FPL's negotiation position

and give an unfair advantage to the opposing party. Such information is protected by Section 366.093(3)(e), Florida Statutes.

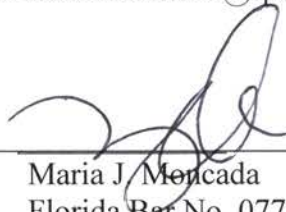

8. Upon a finding by the Commission that the information highlighted in First Revised Exhibit A, and referenced in First Revised Exhibit C, is proprietary and confidential business information, the information should not be declassified for a period of at least an additional eighteen (18) months and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Florida Statutes.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavit included herewith, Florida Power & Light Company respectfully requests that its First Request for Extension of Confidential Classification be granted.

Respectfully submitted,

Docket No. 120015-EI

STATE OF FLORIDA)
PALM BEACH COUNTY)

AFFIDAVIT OF JUSTIN SOBOL

BEFORE ME, the undersigned authority, personally appeared Justin Sobol who, being first duly sworn deposes and says:

1. My name is Justin Sobol. I am currently employed by FPL as Manager, Project Development. My business address is 700 Universe Boulevard, Juno Beach, Florida, 33408. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents that are included in FPL's First Request for Extension of Confidential Classification of Information Obtained in Connection with Docket No. 120015-EI, for which I am listed as the affiant. Such documents or materials that I have reviewed and which, in whole or in part, are asserted by FPL to be proprietary confidential business information, contain or constitute competitively sensitive information, the disclosure of which would impair the competitive business of the provider of the information. Specifically, the information contains or constitutes information related to property that is currently the subject of litigation, the disclosure of which would impair FPL's litigation position and would provide an advantage to the opposing party. The materials also contain information regarding FPL's business strategies related to property acquisition. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Nothing has occurred since the issuance of Order No. PSC-12-0625-CFO-EI to render the information stale or public, such that continued confidential treatment would not be appropriate. Therefore, the information should remain confidential for a period of at least an additional eighteen (18) months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

Justin Sobol
