Re: Docket No. 140117-TX

Dear Mr. Moyle:

This will acknowledge receipt of the Application to provide local telecommunication service in Florida, by Cellular South Inc., d/b/a C Spire and d/b/a C Spire Business Solutions, which was filed in this office on May 29, 2014, and assigned the above-referenced docket number. Appropriate staff members will be advised.

Mediation may be available to resolve any dispute in this docket. If mediation is conducted, it does not affect a substantially interested person's right to an administrative hearing. For more information, contact the Office of General Counsel at (850) 413-6199.

Please note as well that the Commission's Statement of Agency Organization and Operations requires certificated companies to notify the Commission of any changes in name, telephone, address, or contact person. Should your application be granted by the Commission, you will be expected to comply with this requirement by advising us of any changes as they occur.

This should be a new docket since it is an application for a CLEC certificate.

When they state they are certificated, they mean they are certificated by the FCC as a wireless provider, but they are seeking a CLEC certificate.

Subject: RE: 5/29/14 CLEC Transfer Application - Cellular South, Inc.

Good afternoon Catherine,

We received the attached CLEC application today by hand delivery. When attempting to establish the docket we found that MCD has no record of any of the information provided on the application. We searched for the company name, the d/b/a, the FEIN, and we searched company codes and certificate numbers close to what is shown on the application with no success. Would you be able to provide us with assistance on this application/docket?

There was also a check that was hand delivered with the application: Chk# 00617 from the Moyle Law Firm. I will be taking it over to be logged in the mail room.

Thank you for your help,
