

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Application for amendment of territory
for Certificate Nos. 622-W and 564-S in
Volusia and Brevard Counties by Farmton
Water Resources LLC.

DOCKET NO. 130229-WS
ORDER NO. PSC-14-0325-FOF-WS
ISSUED: June 25, 2014

The following Commissioners participated in the disposition of this matter:

ART GRAHAM, Chairman
LISA POLAK EDGAR
RONALD A. BRISÉ
EDUARDO E. BALBIS
JULIE I. BROWN

ORDER APPROVING AMENDMENT
OF CERTIFICATE NOS. 622-W AND 564-S

BY THE COMMISSION:

BACKGROUND

On August 26, 2013, Farmton Water Resources LLC (Farmton or Utility) filed a notice to amend Certificate Nos. 622-W and 564-S to extend and delete service territory in Volusia and Brevard Counties. Farmton is a Class C water and wastewater utility in Volusia and Brevard Counties serving three water customers and zero wastewater customers. The Utility is located in the St. Johns River Water Management District, which has permanent water restriction rules in place. According to the Utility's 2012 Annual Report, combined operating revenues were \$1,433 with a total net operating loss of \$34,711. The Utility plans to extend and delete its certificated water and wastewater service areas as described in Attachment A.

On March 27, 2014, our staff filed its recommendation in the instant docket. Subsequently, an error to the legal description of the water territory was identified. In particular, the description of the water territory noticed by the Utility did not conform exactly to the description of the water service area contained within the exhibits to the application filed in the above-referenced matter. In order to correct this error on April 9, 2014, Farmton filed a restrictive amendment to the water portion of its application so that the proposed water service territory conforms to the information contained in the notices. In conjunction with the filing of the restrictive amendment, Farmton also filed revised exhibits to its application which recognize the amendment to the water service area.

Farmton was granted Certificate Nos. 622-W in 2004 and 564-S in 2012. We have jurisdiction pursuant to Sections 367.045 and 367.071, Florida Statutes (F.S.).

DECISION

The Utility's application to amend its authorized service territory was submitted in accordance to Rule 25-30.036, Florida Administrative Code (F.A.C.). The application contains proof of compliance with the noticing provisions set forth in Rule 25-30.030, F.A.C. No timely objections to the application have been received and the time for filing such expired on September 30, 2013.

On April 9, 2014, Farmton restrictively amended the water portion of its application to exclude from the request for territorial amendment the identified portions of the water extension area contained in Section 8 of Parcel 7A located in Volusia County. As discussed above, the restrictive amendment thereby amended the water portion of the application so that the water service territory description would conform exactly to the territory noticed in the publication and mailed notices issued by the Utility in the instant docket. In conjunction with the filing of the restrictive amendment, Farmton also filed revised exhibits to its application which recognize the amendment to the water service area. We have reviewed the restrictive amendment to the application and revised exhibits which conform exactly to the territorial description provided in the notice.

The proposed service territory amendment is intended to amend the wastewater certificate to include the territory within Volusia County currently included in its water service territory and to extend both the water and wastewater territories so that they cover all of the properties now owned by the related party landowners. The proposed amendment also serves to delete a parcel from the existing water service territory to recognize the existing water and wastewater service area of the City of Edgewater, and to delete several parcels within the existing wastewater service territory that are no longer owned by the related party landowners. Pursuant to our approval of this application, the territory covered by Farmton's water and wastewater certificates will be identical, with the exception of the parcel excluded by its restrictive amendment from its water service territory as noted above.

Farmton's current water service customers include tree farming operations and hunting camp activities. These include one residential connection, two general service connections, and one fire connection. The Utility does not currently have any wastewater customers. The Utility's plans for future phases adhere to the comprehensive plans of Volusia and Brevard Counties. These plans allow for the development of 18,408 residential units and 3,879,783 square feet of commercial space in Volusia County, and 2,306 residential units and 1,250,000 square feet of commercial space in Brevard County. The application contains warranty deeds as evidence that the Utility owns the land upon which the Utility's water and wastewater treatment facilities will be located. Adequate service territory maps and territory descriptions have also been provided. The Utility's application included a statement indicating that through the funding and financial support of its managing member, Farmton Management LLC, it will have the financial backing to provide the financial and operating support necessary for the Utility to be successful.

The Utility's current facilities consist of three 4-inch wells with hand-operated pumps. One of these wells is in the area proposed for deletion. At this time the Utility does not have any wastewater facilities. As required by Rule 25-30.036(4)(h), F.A.C., the Utility provided statements regarding effect on customers' ability to get water and wastewater service in the area proposed for deletion. Farmton stated a portion of its existing water service territory in Volusia County has been designated for inclusion in the City of Edgewater's water service territory; therefore, any potential customers in that territory would seek service from the City of Edgewater. Also, the Utility has one customer, the Miami Tract Hunt Club, that utilizes a well in the area proposed for deletion in support of hunting operations. Unlike residential or commercial operations, which have geographically fixed water demands, the hunting operations are conducted throughout the Farmton property and do not have a specific water demand location. The Utility has two other wells of similar design on its property that will remain available to support the hunting operations.

Based on the foregoing, we find that it is in the public interest to amend Certificate Nos. 622-W and 564-S to reflect the territory as described in Attachment A, effective the date of our vote. The resultant Order shall serve as Farmton's amended certificates and shall be retained by the Utility. The Utility shall charge the customers in the territory added herein the rates and charges contained in its current tariff until a change is authorized by this Commission in a subsequent proceeding.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that we hereby approve Farmton Water Resources LLC's application to amend its territory, as described in Attachment A, and the amendment to Certificate Nos. 622-W and 564-S to extend and delete service territory in Volusia and Brevard Counties, effective June 5, 2014. It is further

ORDERED that Farmton Water Resources LLC shall apply the rates and charges approved by this Commission to the customers of the amended area. It is further

ORDERED that no further action is necessary and this docket shall be closed upon issuance of this Order.

By ORDER of the Florida Public Service Commission this 25th day of June, 2014.

CARLOTTA S. STAUFFER
Commission Clerk
Florida Public Service Commission
2540 Shumard Oak Boulevard

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by the Commission's final action in this matter may request:

- 1) reconsideration of the decision by filing a motion for reconsideration with the Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, within fifteen (15) days of the issuance of this order in the form prescribed by Rule 25-22.060, Florida Administrative Code; or
- 2) judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or the First District Court of Appeal in the case of a water and/or wastewater utility by filing a notice of appeal with the Office of Commission Clerk, and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days after the issuance of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.

FLORIDA PUBLIC SERVICE COMMISSION
authorizes
Farmton Water Resources LLC
pursuant to
Certificate Number 622-W

to provide water service in Volusia and Brevard Counties in accordance with the provisions of Chapter 367, Florida Statutes, and the Rules, Regulations, and Orders of this Commission in the territory described by the Orders of this Commission. This authorization shall remain in force and effect until superseded, suspended, cancelled or revoked by Order of this Commission.
