Marguerite:

Thanks for the welcome back! Had a great time away and am working through the accumulated emails in order to catch up.

The best thing to do with these documents is to affix a new declassification date. With cyber/data security audits ongoing and planned, there is a possibility that the team(s) may need to circle back to the contained in these documents.

David,
Confidential DNs 06277-08, 06279-08, 06280-08, and 06288-08 have reached their declassification date of 7/1/14.

Do you want to declassify these documents, have them PDF'd, and place them in the docket file; destroy the documents; or provide another declassification date to address these documents in the future ?
Since you are out of the office this week, it's OK to respond to this e-mail when you get back.

DN 06277-08 - CMP (sic)/Rich - (CONFIDENTIAL) Documents pertaining to multiple ILECs involved in review of customer data security initiatives.

DN 06279-08 - CMP (sic)/Rich - (CONFIDENTIAL) AT&T documents provided during a review of customer data security initiatives.

DN 06280-08 - RCP/Rich - (CONFIDENTIAL) Information contained in staff's draft audit report and related staff work papers regarding customer data security of Florida ILECs. [CLK note: CLK/McLean advises filing is covered under letter claiming confidentiality (DN 04858-08).]

DN 06288-08 - CMP (sic)/Rich - (CONFIDENTIAL) Responses provided by Verizon during a review of customer data security initiatives.
