Subject: Fine payment for Company Code TY068 (Inactive) - Integrated Path Communications, LLC

Good morning all, yesterday we opened a new docket 140152-TX – Integrated Path Communications, LLC (New Company Code TY101). The applicant paid the \$500 fine for docket 130100-TX, Compliance investigation of local exchange Certificate No. 8833, issued to Integrated Path Communications, LLC, for apparent first-time violation of Rule 25-4.0161, F.A.C., Regulatory Assessment Fees; Telecommunications Companies, along with \$500 application fee for the new docket. What we need to know now is the break down for the payment of the fine of \$500. How much goes into the general and trust fund, as it was not listed on the information that we received from Fiscal Division. I need this information, so that I can enter that into the fine payment in CMS/MCD. Could one of you please give us the break down? Thanks, Nonnye
