RE: Docket No. 130194-WS- Application for staff-assisted rate case in Lake County by Lakeside Waterworks, Inc.

To Whom It May Concern:

Lakeside Waterworks, Inc. (LWI) is in receipt of the Staff Report dated August 13, 2014 in the above referenced docket. Due to the high amount of non-used and useful amounts recommended by staff in its recommendation for both the water treatment system and wastewater treatment, LWI believes that appropriate service availability fees and allowance for funds prudently invested should be addressed. By submission of this letter, LWI hereby requests the Commission to consider the establishment of the following:

- Water Plant Capacity Charge
- Wastewater Plant Capacity Charge
- Water Allowance for Funds Prudently Invested Fees (AFPI) – wtp
- Wastewater Allowance for Funds Prudently Invested (AFPI) - wwtp

In addition, in support of the requested late payment charge, LWI provides the following calculation:

Clerical & Administrative Labor

Clerical time used to prepare, print and sort notices for mailing - \$4.45

Materials - \$0.31

Postage - \$0.49

Total Costs

Clerical & Administrative Labor – \$4.45

Materials- \$0.31

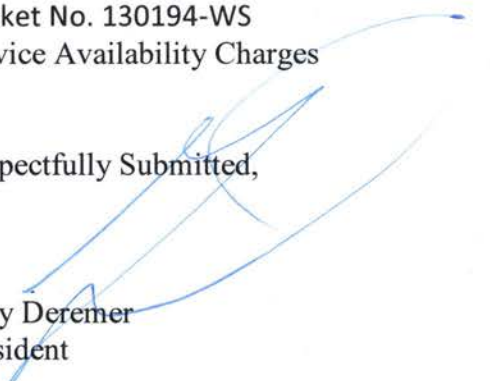

Postage - \$0.49

Total - \$5.25

LWI respectfully requests that appropriate service availability fees (Plant Capacity Charges) and AFPI be considered and approved in this SARC.

Docket No. 130194-WS
Service Availability Charges

Respectfully Submitted,

Gary Deremer
President
